Non-Tech Events

Ad-Mad

One of the most interesting to event. Though we got the Bit less registration but what we got had some brilliant ideas. Like one of them was of Solar Mobile Charging and presented in best way. It was on 19/02/18.This brought student's ideas out.

Mahendi

This event girls had maximum participants so obvious event and every girl gave their 100% and made some fine mahendi. On 19/02/18

Chess

The event who help us to create our mind power. We had some close game students played with full enthuse and at we got the final between 3rd year and 1st year student with full efforts. 19/02/18

Waste to Best (Handicraft)

This event was for those who had interest in handicraft things. A boy from 2nd year made side lights of copper and his idea was taken as a startup.

Rangoli

In this event we got some nice work of rangoli. Girls put their 120% of efforts in it and got some brilliant rangolies.

Treasure Hunt

This Event Had Maximum Number of Participant compared to that of any other. In this they have to clear elimination round and get in final where they will be finding treasure.
